3. Login

4. Download

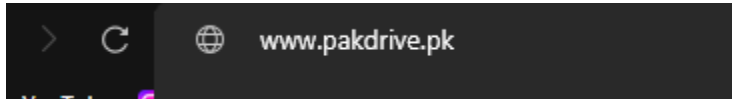

5. Finalizations

6. Problem Solving

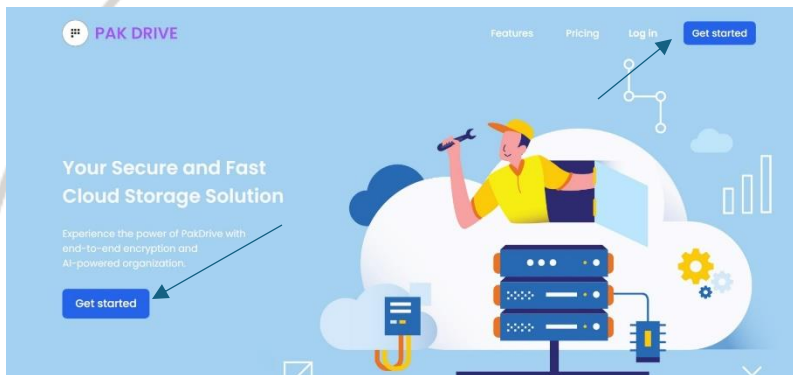

1. Getting Started

Please visit our Official Webpage at www.pakdrive.pk .

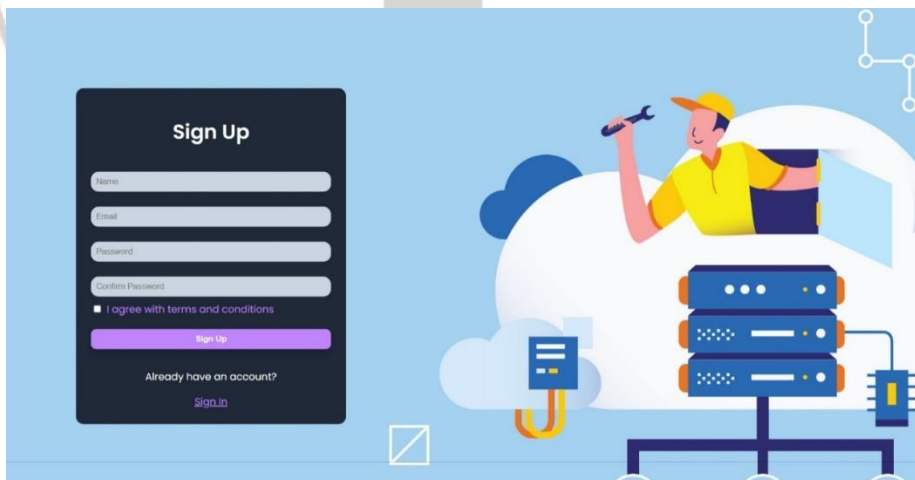

2. User Signup

Navigate to the signup page by clicking on “Get started”.

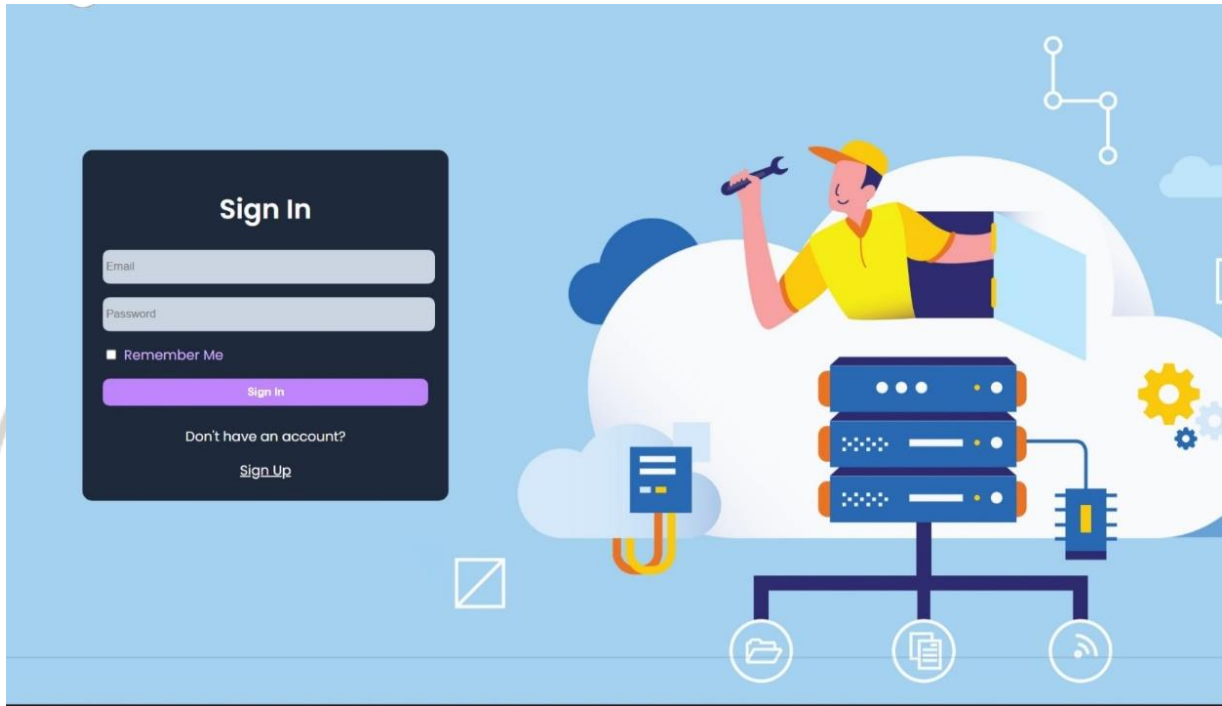

Create a user account for our services, and follow the on-screen instructions. Choose a secure password. It must contain at least 8 characters with a capital letter and special characters.

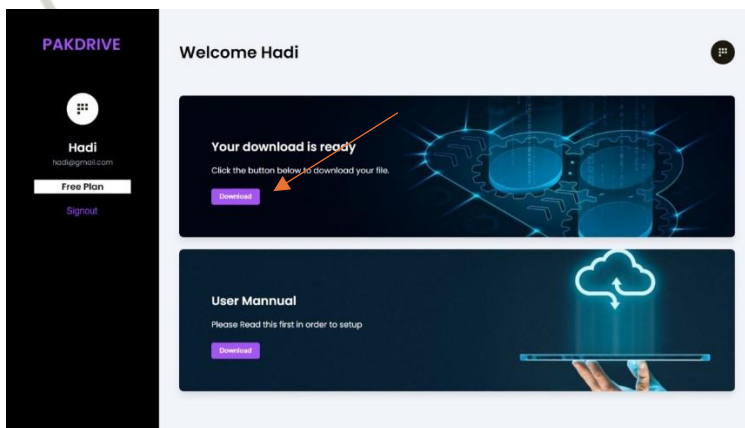

3. Login

You will be automatically redirected to the login page. Login through the given login page, inputting the email and password you already setup.

4. Download

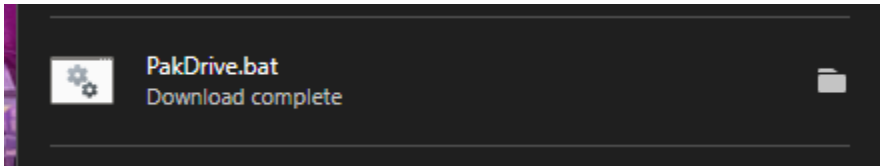

You will be automatically directed towards your Dashobard.

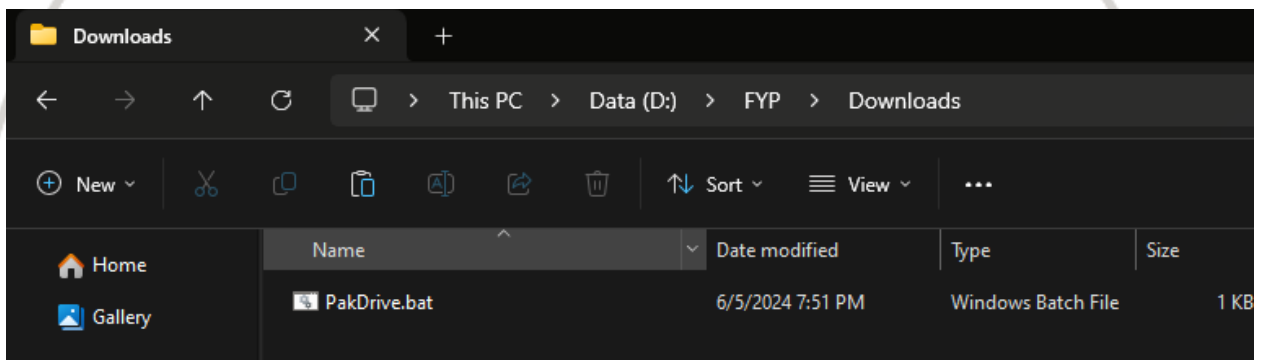

Click the download button, choose the download location. Your download will start shortly.

5. Finalizations

After the download had completed.

Navigate to your downloads folder, double click on the file to install it. Your folder will open and you can enjoy the experience.

Problem Solving

If you encounter any problem, please feel free to contact us at our email, pakdrive0@gmail.com.

ENJOY!
